There's so much to see and do, and The Convention and Visitor Bureau is here to meet your every need.

See It All: Take a Tour

To best experience all Montgomery offers, plan a tour. Our Group Tour Sales staff can help you with all of your tour details. We will contact lodging properties and refer you to step-on guide services and local tour companies. Our sales staff can also suggest a variety of entertainment options for your guests after their tour. Let our staff help you plan scheduled itineraries or assist you with planning several different activities and visits to local attractions. Together we can create a custom tour itinerary just for you.

Stay Power: Lodging

The Montgomery area offers over 7,000 total hotel rooms across the city. Let us make your accommodation reservations for you and your group. Our complete list of contacts for each Montgomery property will assure that we find you the best rates, assist you with special services and additional requests.

Enjoy a Warm Welcome: Bags & Brochures

The CVB offers welcome bags and name badges based on the number of room nights booked. Our bags have our Montgomery CVB logo and are accompanied with a souvenir. Each group is given one souvenir per person, and all items are subject to availability. The CVB will also provide your group with Visitor Guides in which they will find complete lists of attractions, restaurants, entertainment options and general information about the city. We can also provide your group with a calendar of events that highlight the city's many activities.
